**Statement from Attorney General Beau Biden on Office of the Comptroller of the Currency
Foreclosure Settlement With Banks**

"I have been working with 50 other Attorneys General to investigate the foreclosure fraud by banks on a nationwide basis since the false affidavit scandal came to light. We continue to investigate serious violations of the law that have harmed homeowners in Delaware and elsewhere. Our ongoing efforts in this law enforcement area are not impacted by the OCC's consent order announced today, and we will continue to pursue these frauds with all the authority of this Office."
